ABOUT ME

I am a highly skilled WordPress front-end designer with a passion for developing businesses.

Professional Summary

I take a strategic approach to each project, starting by understanding the project's purpose and identifying the needs it must meet to be successful. By working closely with clients or project managers, I develop creative and innovative design solutions that meet both their needs and the practical requirements of the business. My attention to detail, time management, and communication skills ensure that projects are delivered on time and to a high standard.

EDUCATION

- 2022
[Shahid Beheshti \(Sampad\)](#)
High School Diploma
- 2023
[University of Sharif](#)
BLS

EXPERIENCE

1. Technical Unit, Lawyers Club Institute (April 2023 - Present)
 - Responsible for managing and maintaining the technical infrastructure of the Lawyers Club Institute.
 - Collaborating with the design team to create custom WordPress themes and plugins to meet the Institute's specific needs.
 - Developing and implementing SEO strategies to improve website traffic and engagement.
2. Web Development Management and Executive Unit, Avina Immigration center Inc. (November 2022 - April 2023)
 - Led the web development team in designing and maintaining the company's website and online presence.
 - Collaborated with other departments to ensure the website reflected the company's brand and values.
 - Managed the implementation of a new CRM system, resulting in a more efficient workflow and improved customer service.

SKILLS

- Proficiency in HTML, CSS, and JavaScript.
- Expertise in WordPress front-end design.
- Project management skills, including problem-solving and communication with clients and stakeholders.
- Ability to balance creative design with practical business needs.
- Strong attention to detail and effective time management.
- Excellent communication skills, including active listening and clear communication with clients and team members.
- Dedication to continuous learning and improvement, including staying up-to-date with new design trends and technologies.
